

Scott McLay Forbes

About

I want to work a part-time job while going to school for an Associates Degree in Web Design.

In order to do this, I am willing to fit into a work schedule that includes regular hours and opportunities to use my skill set that I have acquired through college education.

If you want further information, please visit my website and click on "[Resume](#)" on the menu.

Experience

Sidekick 2015–2015
Do Space, Omaha, Nebraska,

I helped at the customer service desk assigning cards to new members and giving tours of the facility. I also helped people use the computer software, particularly the Adobe Creative Cloud.

Student 2016–2016
WordCamp 2016 Omaha, Nebraska

I learned a lot about the PHP plugin WordPress during a three day event with seminars and educational lectures. I learned to set up my own WordPress blog at www.twelfthmansion.com.

Freelancer at Graphic Design 2016–2016
Omaha, Nebraska

I did some graphic design projects for local service agencies during the autumn of 2016.

Education

Metropolitan Community College 2012–2017
Seeking Associate's Degree, Omaha, Nebraska

I've taken 52 credit hours towards a General Studies degree. This fall I will be enrolling in Information Technology to seek an Associate's Degree in Web Design.
